PRESIDENT'S ANNUAL REPORT1973

I have just completed my two year term as President of LBA and feel the years served were both interesting and rewarding.

During the last year we have had 5 members to receive their Life Masters. Congratulations to all of you.

Even with the rising cost and more plush facilities we were still able to show a profit for the last two years and I feel that this indicates that the Board has done an exceptionally good job. We have had many compliments on our new location and we are pleased that you all appreciate it.

We have added a Newspaper in this term of office and I know many of you are enjoying it. The late Bill Bell did a fine job as editor; we will miss him very much. This leaves us with a new task of getting another editor.

As you may know, the District 11 Regionals-tournament are managed by a special committee and our last one was headed by Mary Ruch and Ouida Rowland. I would like to give special thanks to them and their committees.

Again, I would like to thank everyone for their fine cooperation which has made my job a very pleasant one.

Carl Horne
