8. President's Message:

Briefly, our accomplishments during my tenure of office are many and varied:

There have been 15 Board meetings - it was at my first one on Feb. 4, 1974, that hope was expressed that we could eventually open our own Bridge Center. On April 22, 1974, we signed our first lease, and in November of 1974 we settled in our present Center on Colony Way.

In the years 1974 & 75

- Eleven (11) new Life Masters
- Seven (7) issues of the KIBITZER
- Eight (8) Sectional tournaments
- Three (3) Charity ~~with~~ 100% participation of clubs in the unit

raising \$2,641.00

Center is now issuing a Monthly Duplicate Diary

There has been an increase of 120 members

I would like to take this opportunity to thank all the officers and directors for their cooperation-
